

Transit Notice

Line 2 Subway Closure

Jane to Ossington stations

Parking restrictions to keep transit and traffic moving on Bloor

Date: July 15 and 16, 2017

Timeline/content accurate at time of printing

Work description and purpose

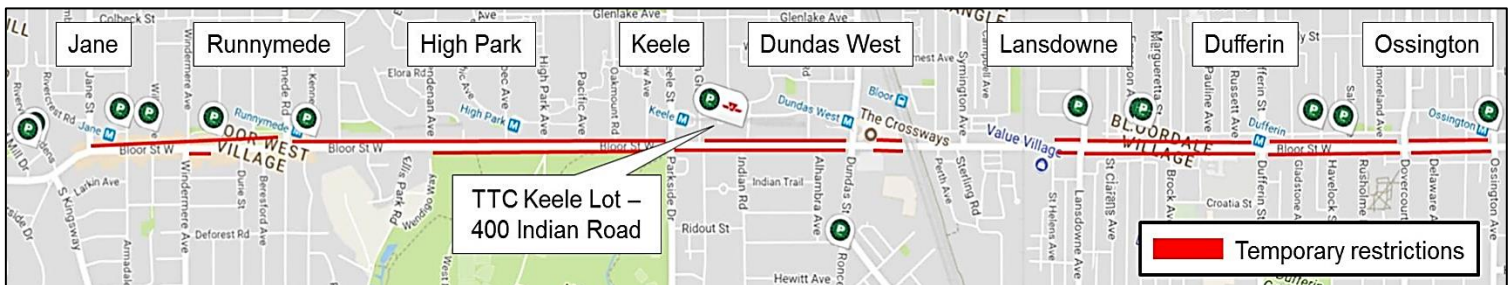

Subway service will be suspended on Line 2 between Jane and Ossington stations on July 15 and 16 for TTC track and other maintenance upgrades. The work is essential to maintain and improve subway reliability. At its peak, **approximately 40 to 50 shuttle buses** will operate on Bloor Street between Jane and Ossington stations during the closure. Regular subway service resumes on Monday, July 17 at 6 a.m.

Parking restrictions on Bloor Street – July 15 and 16

During the subway closure, TTC in co-ordination with City Transportation will temporarily restrict parking on Bloor Street to keep transit and vehicular traffic flowing as smoothly as possible. This approach is vital and is implemented on shuttle bus routes during scheduled subway weekend closures across the system to keep the city moving.

On-street parking restrictions on both sides of Bloor Street between Jane Street and Ossington Avenue will be in effect between 3:30 a.m. Saturday to 12:01 a.m. Monday.

Parking is available at several Green P lots and at TTC's Keele Lot (free on weekends; 187 spaces).

Transit service

All trains on Line 2 will turn back westbound at Jane Station and eastbound at Ossington Station. Shuttle buses will operate on Bloor Street between these stations during the closure.

Thank you for your patience as we work to improve transit in Toronto. Please continue to support local businesses on Bloor Street during this scheduled subway weekend closure.

TTC contacts

- Customer Service, 416-393-3030 (daily 7 a.m. to 10 p.m., closed holidays) or @TTChelps.
- Paul Tran, Community Liaison, 416-981-1601; paul.tran@ttc.ca.
